### Blokages between our Seed and Harvest

#### The "Faithless" seed ( Heb 11:6, Eph 3:20

- The seed sown without believing that God is able to meet us at our point of need and He is the Lord of the Harvest

#### The seed "Given Up" Gal 6:9

- This seed started off being watered by faith but at the wait for the harvest become long we become discourage and started losing the faith

#### The "Reluctant" seed 2 Cor 9:7

- This is a seed sewn under a feeling of obligation and often came from not under standing giving an offering is a form of worship

#### The " Unforgiving" seed Mark 11:25 & Matt 23:24

- This is the seed sewn whilst still holding grudges or unforgiveness against those who have wronged us. But Jesus encourage us to forgive so that our Father too can forgive us. Unforgiveness is the toxins that poisons the effectiveness of our offering

# Pastor Dimetre Vigis Journey to the Cross

-Written by Pastor Dimetre Vigis

1Kings 19:11-13, Then He said, "Go out, and stand on the mountain before the Lord." And behold, the Lord passed by, and a great and strong wind tore into the mountains and broke the rocks in pieces before the Lord, but the Lord was not in the wind; and after the earthquake a fire, but the Lord was not in the fire; and after the fire a still small voice. So it was, when Elijah heard it, that he wrapped his face in his mantle and went out and stood in the entrance of the cave. Suddenly a voice came to him, and said, "What are you doing here, Elijah?"

My Journey to the cross was not a pretty picture but the results worked out perfect. Growing up in the community of Ocean View as a young man was not easy. I am the second eldest of my parents. My struggle in life before Christ was always finding a place to fit in and at most times I felt like I was being rejected by family and friends. It's in my feelings of rejection and the struggle of finding my place that I started to dress myself in a negative light because my thinking at the time was if I can dress myself in popularity that people will receive me But being popular come with its ups and downs, more downs than ups. Started smoking because I thought smoking was cool and my friends were doing it

then so should I because I'm hungry for fitting in. I started staying out of school because I'm thirsty for acceptance. Started drinking alcohol and in doing so made myself a fool plenty of times but none the less I'm starving for acceptance if only someone told me before the time that the false you is high maintenance then I would of never started on this journey. There is no instruction Manual except the bible that can make you feel like you belong as wordly

friends will accept you but not pay for your habits. Life become worse I went straight down the rabbit whole and landed on a thorn bush called drugs from drugs into gangsterism The friends that I had left me and again I was alone. Someone help me please but the only thing that I hear is my own echo, no one can hear my cries. Minutes turns to hours and hours to days and days to month s and no one hears my cries all I long for is acceptance, my journey is over I am at the bottom of the pile off the waiting list of hope But then God stepped in and changed my life around completely. After 7 years of false acting, not being me, on drugs, alcohol, disrespecting others, robbing people and dragging my parents face through the mud. Someone herd me and said I was calling to you before you called out the first time but you were too busy listening to your feelings. At that moment I reflected and released Jesus was always there, 12 years later I'm accepted' I'm loved, I belong and I'm free of my prison no more substance abuse. I'm married, I have a family, have a work that I love and enjoy. God not only heard my call but He helped me along the way and still helping me what He did for me He can do for you.

**God Is calling can you hear Him?  
What are you doing here?**

## MOVEMENT FOR 2019

-PS Berrie & Anita Williams

### Mobilization 2019

As a church our goal is to produce an active environment that's suitable growth and productivity. We understand by scripture that Jesus himself was a man given to produce results. He healed, he resurrected the dead, he provided multiplied bread and fish to feed a multitude, he cast out demons and became the model of Christianity and still today. The term 'Christian' means to imitate the likeness of Christ. The word 'Disciple' means student or learner. In Matthew 28:19 Jesus commands us to go into all the world and 'make' or produce disciples, men and women whose hearts are turned to God by following Jesus. In other words, we are commanded to produce Results!! The Church of Jesus Christ is a living organism anointed by the Holy Spirit to impact lives and change nations Just as Jesus healed, delivered, saved and freed all those people 2000 years ago, so are we his people to follow in his example

Just as Jesus healed, delivered, saved and freed all those people 2000 years ago, so are we his people to follow in his example.

**Therefore IHOPC has given our commitment to mobilize and be mobilised to touch the hearts of our communities with the word of God expressed in love.**

Spirit are needed to be applied and practiced, every calling in Christ are summoned to duty. A mobilised church runs with vision, mission and man-power. This year we active, productive, inventive and positive that God is with us in every step of the way. I extend the invitation to you our readers to join us, the global church of Jesus Christ to break from the comfort and stretch yourselves beyond the limits. There's enough work for us all. Let's join hands and together March forward and impact the word for Christ.

## “THE MANNINGS”

Jonathan+La-Toya+Ezekiel Manning

### Interview with La-Toya

Rochelle: Introduce yourself and how do you experience your journey at IHOPC so far?

La-Toya : We have been married for 6 years and we have an amazing son, Ezekiel. We believe that Jesus is the centre of our marriage and everything we do.

Rochelle : Tell me more why you and your husband chosen to be in the Youth Ministries?

La- Toya : We choose the Youth because we are living in the time where fathers are absent at most homes and in the community producing a father’s generation, and the youth has no idea who or what or where their identity comes from. There are these days a lack of positive role in our communities and we believe that God has called us to give back what He has given us.

Rochelle: Why did you choose IHOPC Cape Town?

La- Toya We choose the church because it is a bible base church and spirit filled with a clear identification of the Holy Spirit
